

Consumer Complaint Coordinators

To report adverse reactions or other problems with FDA-regulated products, contact the FDA district office consumer complaint coordinator for your geographic area. If you require the use of a Relay Service, please call the Federal Relay Services (1-800-877-8339). This is a toll free relay service to call Federal agencies from TTY devices.

Please Note: There is not a Consumer Complaint Coordinator in each state. Consumer Complaint Coordinators are assigned by regions. Therefore, several states will have the same Consumer Complaint Coordinator assigned to it.
